**Academic Resources and Support**

- Advising - Students are supported by a team of advisors including a pre-major academic advisor and a success coach during the first two years and a major academic advisor and career coach in the junior and senior years. First-year students are also supported by two St. Olaf Orientation to Academics and Resources (SOAR) peer leaders who assist in the transition to college.
- Academic Success Center (formerly Center for Advising and Academic Success) - Provides academic success coaching, academic strategy workshops, academic tutoring, writing tutoring, Supplemental Instruction (SI), and support for multilingual students. The SOAR program, Disability and Access services, and the TRIO Student Support Services for Students with Disabilities program are also services provided by the Academic Success Center.
- Disability and Access - Disability and Access (DAC) staff are committed to ensuring equal access to the St. Olaf College experience for all students. Through collaboration with the entire campus community, DAC promotes disability pride, self-determination of the student, and universally accessible design principles so that everyone has full access to the St. Olaf experience.
- TRIO St. Olaf College Student Support Services (SSS) program and TRIO - Student Support Services for Students with Disabilities (SSSD) are college retention programs funded by the U.S. Department of Education and St. Olaf College. Serving more than 280 St. Olaf students, the SSS programs provide a wide variety of academic and other support services to help low-income, first-generation, and/or students with disabilities succeed in college and attain baccalaureate degrees.
